

Welcome to the Woodley spruce up and

Great Woodley in Bloom!

Help brighten up your community by entering the Great Woodley in Bloom initiative. We are looking for bright colourful entries for the following categories:

- Front gardens
- Hanging baskets and window boxes
- Tallest Sunflower
- Communal areas / verges
- Schools and businesses

Prizes will be awarded for 1st & 2nd in each category.

Verge tendered to by local resident Delia

Great Woodley in Bloom is part of a larger project to make Woodley a wonderful place to live! Working in partnership, Councillors, agencies and community members are keen to improve the local area, some works are already underway but this is your opportunity to make a difference and brighten up the area.

All the displays must be visible to the general public. Judges will be looking for colourful displays, a mix of plants and flowers, those that really brighten up and have an impact on the local area.

JUDGES – we are looking for residents to get involved in the judging panel.

If you are interested in either taking part in the competition or being on the judging panel, please contact Dorothy or Marianne on mpiggin@testvalley.gov.uk / 07789 664209.

Judging will take place in July, so get planning!
